

LA 44 Racing Motorbike Oil

Description

LA RACING LUBRICANTS 5W/40 PARA-SYN Motorcycle Oil is a premium oil designed for those who demand the absolute best lubrication for their motorcycles. It is the result of extensive research and is specially formulated to excel in all areas unique to motorcycles, including high engine rpm, wet-clutch lubrication, extreme-pressure regions of gears and rust common to short drives and storage. LA RACING LUBRICANTS 5W-40 PARA-SYN Motorcycle Oil is multi-functional and fulfils the requirements of both domestic and foreign motorcycles.

Reduces Friction, Heat and Wear

- Engine protection is not sacrificed under high heat conditions
- Exceeds the standard for high-temperature film strength to deliver excellent wear protection
- Reduce wear regardless of operating conditions
- Excellent heat stability and contains maximum levels of oxidation inhibitor additives
- Resistant to breakdown
- Engineered to prevent damaging sludge and carbon deposits for superior engine cleanliness

Provides Extreme-Pressure Quality Protection for Gears

- Excellent shear stability and resists thinning from mechanical activity
- Performs like a gear lube without the negative effects of extreme-pressure additives

Delivers Superior Rust Protection

- Contains special anti-rust agents

Provides Excellent Wet-Clutch Performance

- Contains no friction modifiers and promotes smooth shifting and positive clutch engagement
- Engineered to control heat and prevent slippage and glazing
- Improves clutch life

Viscosity Grade SAE	5W/40
Viscosity, 40°C, cSt	149.65
Viscosity, 100°C, cSt	18.10
Viscosity Index	156
Cold Crank, cP -25°C	12,492
HTHS @ 150°C, cP	4.68
NOACK Volatility	3.59
